

## MORGAN

Rug with striped chevron design, available in custom size. Wavy chevron stripes create an intertwined macro effect on this silk carpet. The design is created with carving techniques as well as with the tone-on-tone colouring. Due to the modularity of the design - based on a 150x150 cm square - the carpet is presented in special sizes (see below for details). Density: 100 knots/squared inch. The carpet is hand knotted without any child labour. MADE IN NEPAL.
